Free business advertising on St Helens Now

Registration

Before you can use any of St Helens Now facilities, you will need to [register](#). When you do so, ensure that your profile contains as much business information as possible, e.g. website, business email address and contact number, full description of your products and services etc. Registration is free of charge.

Job Listings

If you are looking to recruit, you can advertise vacancies free of charge in our [Jobs Listing](#) Section. Select "Add A Job Listing". You will then be prompted to add your Company details. This is required. Again, use this as an opportunity to advertise and be as descriptive as possible and give as much information about your business as you think necessary. Job Listings are free of charge.

After you have registered your Company details you can then proceed to add a job listing.

Business Directory

You can advertise and promote your business in the [Business Directory](#) of our [Magazine](#). You can use HTML so if you know what you are doing you can create quite an impressive display for your business. Postings to the St Helens Business Directory are free of charge.

Links

You can post a free link to your website in our [Links](#) section. You can add your link to up to 4 categories, however, please only use relevant categories. We do not require reciprocal links, however, if you do [link back](#) to us, your site will be given more prominence.

Further information

If the above does not cover your requirements, please [contact me](#) to discuss your needs in more detail.
